

HAUTE DESIGN

COMPANY PROFILE

The luxury costs less than the elegance.
Honoré de Balzac

You can furnish. You can imitate a style. Fabrics and materials can be combined.

Our mission is to create unique environments to live and remember in time. The products Socci have a strong and distinctive identity, a *vision de charme* that illuminates and it captures the scene.

HISTORY

Socci is a renowned and appreciated firm to international level in the sector of the **furnishings of luxury**. Accurate choice of materials, technical and artistic perfection, search for a unique and sumptuous style are from **50 years** Socci values that have been guided the creation of fine and exceptional furnishings.

The union between art cabinetmaker of the past with contemporary style creates a complete **synthesis of design, craftsmanship and quality** that is not just luxury, but true elegance.

QUALITY

100% Certified Made in Italy. The production of Socci Collections is entirely realised in Italy, with premium and excellent materials, and making use of highly specialized personnel.

Sophisticated carvings in solid wood, inlaid with noble woods, "zecchino" gold leaf, precious marbles, hand-made decorations, rich and exclusive fabrics are just some of the distinctive features that make Socci collections unique and hard to imitate.

Thanks to a **team of designers and experienced planners** Socci realizes custom-made projects following the realization in all its phases with great professionalism and reliability.

The Certification 100% Made in Italy and the adhesion to the IT01 System, guarantee to our customers the highest quality standards and the assurance of products always made under traceable, monitored and internationally recognized criteria.

HAUTE DESIGN

COLLECTIONS

PRESTIGE

Intense details. Olive ash, rosewood, pear, maple. Sophisticated combination of wood essences for an inlay with refined and elegant proportions.

Prestige is available in 3 different finishing: Natural, Venetian e Florentine.

HYPNOSE

It hypnotizes senses and desire. Gems of pure crystal set in a magnetic carving sculpturing with solid Jelutong.

Hypnose can be realised in 3 different finishings: Black Powder, Pink Natural, Sand Natural.

TEMPTATION

Charm and elegance. Glamour and luxury. A temptation in perfect Italian style.

Temptation comes in different finishes: Natural with ashbriar and zebra wood and maple inlays; lacquered White, Black, Pink and Red China with gold handmade decorations.

MAGNIFIQUE

Reflections of vanity. The soft velvets and the warm and refined nuances of Californian walnut briar meet the icy charm of Murano glass. Hot ice. Magnifique can be realised in 3 particular finishings: Californian Walnut Briar, Black e White.

EXPLOIT

Beauty explodes from the golden canon. Elegant carvings and majestic frame of solid Jelutong hand decorated with gold leaf. Damasks ton-sur-ton, feathers and crystals for a touch of class that highlights the craftsmanship.

SOFAS

Comfort. Eclecticism. Uniqueness. Values that identify Socci style for the living area. Customised boiserie and ceiling along with a wide range of fabrics, trimmings and accessories artfully juxtaposed to create original and sophisticated furniture solutions. The quality is guaranteed: our sofas are made of beechwood frame and foam padding.

KITCHENS

Chablis. Médoc. Intense fragrance, full-bodied and fruity, velvety taste caressing the palate. Ecstasy of taste in wine as in the design. Precious marble, precious details and handles with an eye for innovation with the BlueMotion technology. Classical and modern have a single soul. The Italian design.

HAUTE DESIGN
